### **Building Sector Efficiency Project**

# Limited Offer of Technical Assistance

### 1. Technical Assistance for Energy Efficiency

Building Sector Energy Efficiency Project (BSEEP) is a programme funded by the Global Environmental Facility (GEF) and United Nations Development Programme (UNDP) and managed by Jabatan Kerja Raya (Public Works Department, Malaysia) for the Malaysian building sector. GBI in collaboration with BSEEP are pleased to announce a limited offer (funds are limited) of technical assistance to eligible developers and consultants who are currently registered for GBI certification. The technical assistance to be provided under this programme are for the promotion of Energy Efficiency in the building sector and may include provision of building energy simulation, lighting simulation or any specialist advisory services to be identified for funding by BSEEP. Funding or grants for capital expenditure for E.E. equipment, while generally NOT included under this programme, MAY however, be considered subject to approval based on specified criteria (note that grants for capital expenditure if approved shall only be partial).

### 2. Eligibility

Applicants are informed that this offer of technical assistance is on a FIRST COME FIRST SERVE basis and is subject to the following eligibility:

- (a) Only projects which have been registered for certification with the GBI shall be eligible.
- (b) Residential projects shall be acceptable ONLY if the target GBI certification level is Gold and above. For non-residential projects certification targets shall be at least Silver.
- (c) Any project, subject to (a) and (b) above, which are "New Construction" or "Existing Building" (retrofitting projects) categories are acceptable under this programme.
- (d) Respondents will be required to sign an Agreement with BSEEP on acceptance by BSEEP and the GBI joint committee.

### 3. Expression of Interest

Expression of interest may be submitted to BSEEP in the format as follows:

- (a) Download form BSEEP\_GBI\_EED\_V11.doc. All submission must be made in this form.
- (b) Fill in the form electronically and submit completed form (electronic format without signature) via email to <a href="mailto:lnfo@greenbuildingindex.org">lnfo@greenbuildingindex.org</a>ANDkev.hor@jkr.gov.my
- (c) Print the completed form and stamp and sign at the indicated space (by developer/owner) and submit to the following address:

# Building Sector Energy Efficiency Project

### **Conditions of Offer**

Submission of interest in response to advertisement of offer by BSEEP and GBI:

- 1. Does not mean automatic confirmation of acceptance (described as 'Technical Assistance' below) by BSEEP neither does it imply an obligation by BSEEP or GBI to the provision of any technical assistance or service.
- Acceptance of submission will be on a first-come-first-serve basis, subject to compliance with eligibility described below.
- 3. BSEEP and GBI are NOT obligated to accept any submission for technical assistance under this programme neither are they obligated to provide ANY explanation in case of rejection of any or all submission(s).

### **Technical Assistance for Energy Efficiency**

The technical assistance to be provided under this programme:

- (e) Shall be fully funded by BSEEP subject to eligibility compliance described below;
- (f) Shall ONLY be related to issues of Energy Efficiency;
- (g) May include building energy simulation, lighting simulation or any specialist advisory services to be identified;
- (h) Funding or grants for capital expenditure for E.E. equipment, while generally **NOT** included under this programme **MAY** however be considered subject to approval based on specified criteria (note that grants for capital expenditure if approved shall only be partial).

### **Eligibility Compliance**

Technical assistance with BSEEP grants described above shall be subject to acceptance by BSEEP and GBI with the following conditions:

- (d) Only projects which have been registered for certification with GBI shall be eligible.
- (e) Residential projects shall ONLY be acceptable if the target GBI certification level is at least Gold and above. For non-residential projects certification targets shall be at least Silver and above. Projects may be "New Construction" or "Existing Building" (retrofitting projects) for acceptance under this programme.
- (f) Respondents will be required to sign an Agreement with BSEEP on acceptance by BSEEP and GBI joint committee.

  Direct grants in the form of expert advisory services shall only be provided to projects accepted under this programme, provided said Agreement is formalised. The Agreement shall generally contain the following conditions:
  - (a) The developer or owner of the project MUST be the signatory to this Agreement.
  - (b) The developer or owner shall agree to implement at least 50% (or a percentage which shall be fixed by BSEEP and the GBI) of the recommended E.E. measures contained in simulation or specialist reports commissioned and funded by BSEEP under this programme. (Note: the percentage of implementation will be based on estimation or calculation of carbon abatement from measures recommended)
  - (c) While BSEEP and the GBI will comply with normal confidentiality clauses, the developer or owner of the project shall agree to share data on Energy abatement measures with BSEEP and the GBI and shall NOT unreasonably object to the use or dissemination said data by BSEEP and the GBI.

### **Procedure for Submission**

Developers/Owners, consultants (architects, engineers, interior designers) GBI Facilitators may initiate submission of interest based on format appended (please download submission form). Respondent are however reminded that developers or owners of project must sign on the Form of Expression to be submitted to BSEEP.

Signed copy of submissions (original documents) must be directed to:

National Project Manager Building Sector Energy Efficiency Project Level 22, Menara PJD, No 50 JalanTunRazak 50450 Kuala Lumpur Completed form in electronic (\*.doc) format may be emailed (before delivery of signed submission) to the following:

<u>Kevin.Hor@jkr.gov.my</u> **AND** <u>info@greenbuildingindex.org</u>

After e-submission print completed form, and forward hard copy (stamped and signed) to address indicated.
